Colorful Nails

38 colors + 3 types of nail care

You'll want to collect all of them! Uses a long-lasting base formulation that has superb shine and is easy to apply.

• Base coat: Corrects nail ridges and forms a smooth, thick coat. Adheres well to your natural nails and nail polish, making the color last longer! Protects against breaking and cracking.

• Nail hardener: Protects against breaking and splitting, and strengthens weak nails! Apply before or after nail color! Even for hangnail care! Rubs in smoothly and with no stickiness.

• Top coat: Protects your nail polish against damage and keeps that freshly applied color and gloss for longer.
